**RESOLUTION**

**dated March 28, 2019 N 341**

**ABOUT FEATURES**

**CROSSINGS BY RUSSIAN AND FOREIGN VESSELS  
OF THE STATE BORDER OF THE RUSSIAN FEDERATION AT THE  
SEA**

List of changing documents

(as amended by Decrees of the Government of the Russian Federation of April 15,  
2021 N 600,

dated 01/26/2023 N 97, dated 01/30/2023 N 124)

In accordance with Article 9.1 of the Law of the Russian Federation "On the State Border of the Russian Federation", the Government of the Russian Federation decides:

1. To establish the following cases in which ships may repeatedly cross the state border of the Russian Federation at sea without passing border, customs (in terms of customs operations related to the arrival (departure) of ships) and other types of control:

a) for the ships specified in subparagraph "a" of paragraph 1 of Article 9.1 of the Law of the Russian Federation "On the State Border of the Russian Federation":

departure of Russian ships from Russian ports for the purposes of merchant shipping in internal maritime waters, in the territorial sea, in the exclusive economic zone and (or) on the continental shelf of the Russian Federation with subsequent arrival in Russian ports;

sailing of foreign ships between Russian ports, as well as their departure from Russian ports to internal sea waters or to the territorial sea of the Russian Federation for the purpose of merchant shipping, with the exception of activities related to the use of ships for fishing, with subsequent arrival in Russian ports;

sailing of Russian and foreign vessels between Russian ports with entry into the territorial seas of foreign states when passing through the Baltic, Okhotsk or Japanese Seas and the straits adjacent to them;

departure of Russian icebreakers from Russian ports to the exclusive economic zones and (or) territorial seas of foreign states located in the Baltic, Okhotsk and Japan Seas for icebreaking assistance with subsequent arrival at Russian ports;

departure of foreign vessels from Russian ports to the exclusive economic zone of the Russian Federation for the purpose of carrying out marine scientific research with subsequent arrival in Russian ports;

departure of foreign ships from Russian ports to the continental shelf of the Russian Federation in order to carry out work on the search, exploration and development of hydrocarbon deposits on the continental shelf of the Russian Federation, to ensure the operation of offshore floating platforms registered under the State Flag of the Russian Federation, as well as to create, operate and the use of artificial islands, installations and structures, including fixed offshore platforms, on the continental shelf of the Russian Federation with subsequent arrival at Russian ports;

departure of foreign sports sailing ships from Russian ports to participate in sailing competitions with subsequent arrival in Russian ports;

departure of Russian ships from Russian ports located in the Arctic zone of the Russian Federation for the purpose of merchant shipping in the Arctic Ocean and its constituent seas with subsequent arrival at Russian ports located in the Arctic zone of the Russian Federation;

(the paragraph was introduced by Decree of the Government of the Russian Federation of 15.04.2021 N 600; as amended by Decree of the Government of the Russian Federation of 26.01.2023 N 97)

b) for the ships specified in subparagraph "b" of paragraph 1 of Article 9.1 of the Law of the Russian Federation "On the State Border of the Russian Federation":

navigation through the territorial sea of the Russian Federation without the purpose of calling at Russian ports with subsequent departure from the territory of the Russian Federation;

entry of Russian ships into internal sea waters and into the territorial sea of the Russian Federation for transshipment of catches of aquatic biological resources harvested (caught) in areas determined by the Government of the Russian Federation and subject to delivery to the territory of the Russian Federation under adverse hydrometeorological conditions that do not allow transshipment of catches of aquatic biological resources outside the territorial sea of the Russian Federation.

2. Establish that the requirements for equipping ships referred to in paragraph 1 of Article 9.1 of the Law of the Russian Federation "On the State Border of the Russian Federation" with technical means of control that ensure continuous automatic, uncorrectable transmission of information about the position of the vessel, and other technical means of monitoring the position of ships, when the conditions under which these ships can repeatedly cross the state border of the Russian Federation at sea without passing border, customs (in terms of customs operations related to the arrival (departure) of ships) and other types of control, are determined by the Ministry of Transport of the Russian Federation in agreement with the Federal Security Service of the Russian Federation, with the exception of vessels of the fishing fleet, and the Ministry of Agriculture of the Russian Federation in agreement with the Federal Security Service of the Russian Federation in respect of vessels of the fishing fleet.

3. Approve the attached:

Rules for notifying the border agencies of the federal security service of the intention to repeatedly cross the state border of the Russian Federation at sea by Russian ships;

requirements for the implementation by Russian ships that have passed border, customs and other types of control upon departure from the territory of the Russian Federation, arriving on the territory of the Russian Federation without the purpose of calling at Russian ports with subsequent departure from the territory of the Russian Federation, reloading catches of aquatic biological resources in the event that unfavorable hydrometeorological conditions do not allow such reloading outside the territorial sea of the Russian Federation;

changes that are made to the acts of the Government of the Russian Federation.

4. Recognize as invalid:

Decree of the Government of the Russian Federation of February 9, 2012 N 107 "On crossing the state border of the Russian Federation by Russian ships for reloading catches of aquatic biological resources, fish and other products from them in internal sea waters and in the territorial sea of the Russian Federation" (Collection of Legislation of the Russian Federation , 2012, N 8, article 1023);

**RULES of**  
**NOTIFICATIONS OF THE FEDERAL SERVICE**  
**BORDER AUTHORITIES OF SAFETY OF THE INTENTION TO**  
**IMPLEMENT MULTIPLE**  
**CROSSING THE STATE BORDER OF THE RUSSIAN FEDERATION**  
**AT SEA BY RUSSIAN VESSELS**

1. These Rules establish the procedure for notifying the border agencies of the federal security service (hereinafter referred to as the border agencies) of the intention to repeatedly cross the state border of the Russian Federation at sea:

a) by Russian ships without going through border, customs (in terms of customs operations related to the arrival (departure) of ships) and other types of control, departing from Russian ports with subsequent arrival in Russian ports without entering the internal sea waters and territorial seas of foreign states;

b) by Russian ships that have passed border, customs and other types of control upon departure from the territory of the Russian Federation, arriving on the territory of the Russian Federation without the purpose of calling at Russian ports with subsequent departure from the territory of the Russian Federation;

c) by Russian ships without passing through border, customs (in terms of customs operations related to the arrival (departure) of ships) and other types of control, departing from Russian ports with subsequent arrival at Russian ports with entry into the territorial seas of foreign states, in cases established by paragraphs four and five of subparagraph "a" of paragraph 1 of Decree of the Government of the Russian Federation of March 28, 2019 N 341 "On the Peculiarities of Crossing the State Border of the Russian Federation by Russian and Foreign Vessels at Sea".

2. Notification of the border authorities of the intention to repeatedly cross the state border of the Russian Federation at sea (hereinafter referred to as the notification) shall be sent once for the entire period of the activity specified in the notification.

The contact details of the border authorities for sending notifications are posted on the website [ps.fsb.ru](http://ps.fsb.ru) in the information and telecommunications network "Internet".

3. Russian vessels referred to in paragraph 1 of these Rules (hereinafter referred to as vessels) repeatedly cross the state border of the Russian Federation at sea in order

to carry out the activities specified in the notification in the area (areas) and within the time limits stated in the notification.

4. Notification for the ships specified in subparagraph "a" of paragraph 1 of these Rules shall be sent in the form in accordance with Appendix No. 1 by the captain of the ship, or the shipowner, or a person authorized by him (hereinafter referred to as the applicant) no later than 4 hours before the ship leaves the Russian port (hereinafter referred to as the port), from which the ship is planned to depart with the intention to repeatedly cross the state border of the Russian Federation at sea.

The notification shall be sent to the border authority in whose area of responsibility the port of departure of the vessel is located, by facsimile or by e-mail.

5. Notification for the ships specified in subparagraph "b" of paragraph 1 of these Rules shall be sent in the form in accordance with Appendix No. 2 by the applicant no later than 6 hours before the expected time of crossing the state border of the Russian Federation at sea.

The notification shall be sent to the border agency closest to the place of crossing the state border of the Russian Federation at sea by facsimile or by e-mail.

6. Notification for the ships specified in subparagraph "c" of paragraph 1 of these Rules shall be sent in the form in accordance with Appendix No. 1 to these Rules by the applicant no later than 24 hours before the ship leaves the port from which the ship is planned to depart with the intention of repeatedly crossing the state border of the Russian Federation at sea.

The notification shall be sent to the border authority in whose area of responsibility the port of departure of the vessel is located, by facsimile or by e-mail.

7. The notice for the ships specified in subparagraphs "a" and "c" of paragraph 1 of these Rules shall be accompanied by:

- a) a plan for the passage of the ship and (or) information about the area of activity and the planned route of the ship to the specified area;
- b) crew list;
- c) list of passengers (if there are passengers).

8. The border authority within one hour confirms receipt of the notification.

If no confirmation of receipt of the notification has been received from the border authority, the applicant, within one hour after its sending, checks by telephone that the border authority has received the notification.

9. With each subsequent departure of the ships specified in subparagraphs "a" and "c" of paragraph 1 of these Rules, the applicant, no later than one hour before the

ship leaves the port, informs the border authority about the absence of changes in the information specified in the notification.

10. When changing the information specified in the notification, the applicant sends a new notification in the manner prescribed by paragraphs 4 and 6 of these Rules.

11. In case of abandoning the intention to repeatedly cross the state border of the Russian Federation at sea, the applicant shall immediately inform the border authority to which the notification was sent by telephone, facsimile or e-mail.

12. Re-sending a notification is not required in case of a change:

- a) crew list or list of passengers;
- b) the time of the vessel's departure from the port;
- c) a plan for the passage of the vessel and (or) the area of activity;
- d) the planned route of the ship to the area indicated in the notification;
- e) geographical coordinates of the place where the vessel crosses the state border of the Russian Federation.

13. The applicant shall immediately inform the border authority to which the notification was sent by telephone, facsimile or e-mail about the changes specified in paragraph 12 of these Rules.

In the event of a change in the departure time of the ships specified in subparagraphs "a" and "c" of paragraph 1 of these Rules from the port indicated in the notification, the applicant shall inform the border authority about this no later than one hour before the time specified in the notification.

14. Within one hour, the border authority confirms the receipt of the information specified in paragraphs 11 and 13 of these Rules.

If no confirmation of receipt of information has been received from the border authority, the applicant shall make sure that the border authority has received the specified information by any available means of communication.

15. When actually crossing the state border of the Russian Federation at sea, the captain of the vessel shall notify the border agency (subdivision of the border agency) of the time and geographical coordinates of the place of his crossing the state border of the Russian Federation at sea by radio communication, facsimile communication or by e-mail.

## REQUIREMENTS

FOR IMPLEMENTATION BY RUSSIAN VESSELS THAT PASSED THE  
BORDER

CUSTOMS AND OTHER TYPES OF CONTROL WHEN DEPARTURE FROM  
THE TERRITORY

OF THE RUSSIAN FEDERATION ARRIVING TO THE TERRITORY

OF THE RUSSIAN FEDERATION WITHOUT THE PURPOSE OF CALLING  
AT RUSSIAN PORTS

WITH SUBSEQUENT DEPARTURE FROM THE TERRITORY OF THE  
RUSSIAN FEDERATION,  
OVERLOADING OF CATCHING AQUATIC BIOLOGICAL RESOURCES  
IF ADVERSE HYDROMETEOROLOGICAL CONDITIONS  
DO NOT ALLOW SUCH OVERLOADING OUTSIDE  
TERRITORIAL SEA OF THE RUSSIAN FEDERATION

1. This document establishes the requirements for the transshipment of catches of aquatic biological resources in the internal sea waters and in the territorial sea of the Russian Federation (hereinafter referred to as transshipment) by Russian ships that have passed border, customs and other types of control upon departure from the territory of the Russian Federation, arriving on the territory of the Russian Federation without the purpose of calling at Russian ports with subsequent departure from the territory of the Russian Federation (hereinafter referred to as Russian ships), if unfavorable hydrometeorological conditions do not allow transshipment outside the territorial sea of the Russian Federation.

2. Reloading is carried out on Russian vessels in areas, the list and boundaries of which are approved by the order of the Government of the Russian Federation dated March 28, 2019 N 551-r.

3. Reloading is carried out in the presence of an official of the border agency of the federal security service (hereinafter referred to as the border agency).

4. Russian ships cross the state border of the Russian Federation with prior notification of the border authority and notification of the border authority of each of its actual crossings, while they are obliged:

proceed to the transshipment area through the point closest to this area on the state border of the Russian Federation and then along the shortest route without stopping;

upon completion of the reloading, leave the reloading area and follow the shortest path without stopping to the exclusive economic zone of the Russian Federation through the point closest to this area on the state border of the Russian Federation.

5. Upon completion of the reloading, the Russian vessel, on which the reloading was carried out, may remain in the area of the reloading if the border authority received from another Russian vessel located outside the territorial sea of the Russian Federation, a preliminary notification of the intention to cross the state border of the Russian Federation for reloading to this ship.

6. Upon completion of reloading, Russian ships that carried out reloading may remain in the internal sea waters or in the territorial sea of the Russian Federation

due to emergency circumstances, about which the captains of these ships must inform the border authority by telephone or facsimile or by e-mail.
